Does God really want to help me get a guy? It's hard to believe that God cares about what guy I like. And sometimes it's hard to tell that he cares about my family life. Things aren't always as great as I want them to be. Ruth, an amazing woman from the Bible, knows about disappointment. She lived a life filled with loss, poverty, and pain. But she leaned on God and found that he could provide her with the love of her life and fill her heart with joy. If you've ever felt left out or hope-or if you're looking for love-have faith! This Bible study on the book of Ruth will help. But don't worry; it's not like studying at school. You can do as much or as little at a time as you want, and you can do the study with a friend or a whole group of friends. Secret Power to Faith, Family, and Getting a Guy will introduce you to a real Cinderella story-as Ruth leaves behind her life of sadness for a world of delight. You'll learn how to apply the ones Ruth learned in her life to find goodness in every area of your life-your family, your friends, and even that guy you really like.
