Who wants to survive their first day as a substitute teacher? Not you! You want to go home knowing you have made a difference and your students love you. That may be a tall order but your best chance is to learn:

- Strategies for managing a classroom: every sub's first, most difficult challenge
- Where to find good help and where to avoid looking for help
- Three things you should carry with you to every class
- A list of items that should be in every sub-pack
- Thousands of free resources to help do a better job

Most subs do little to prepare and pay the price for it. Don't be that way. Get this book and learn how you can be prepared from your very first day!
