Emperor Zi Yu used 5 strikes of his axe to split mountains and unify everyone underneath the heavens. He partitioned the land into 9 areas, thus establishing the Nine Cauldrons which eventually became known as the 9 prefectures. When Emperor Zi Yu died, disputes unceasingly arose One thousand years later, a once in a generation genius, Celestial Emperor Qing Ling was born. Able to split a one hundred meter river, equipped with his peer martial prowess, he finally united the land under the heavens. However, once Celestial Emperor Qing Ling died, chaos once again shrouded the land. Another one thousand years passed and no one was able to consolidate the nation. From contemporary society, Grandmaster Martial Artist and Hitman Teng Qingshan, unexpectedly arrived into this world after a mortal battle with the two of the strongest Martial Artist in the modern world.
