Welcome back to Mermaid Cove...where legends come to life... Ava Grondin has worked for other people her entire life. When the local bakery comes up for lease, she jumps at the chance to start her own business. Soon she realizes she's in way over her head. The previous owners have disappeared, leaving behind a shroud of mystery that soon directly involves Ava. On top of that, her personal life is a mess. Devin Wilde's unwillingness to commit has finally shoved her over the edge and she pushes him away...for good. But soon she realizes that fate has other ideas. Devin isn't going away quietly. He is determined to show her that he's a changed man—that he can't live without her. That he doesn't want to. When a terrifying accident shakes Ava's world to its very core, she has no choice but to reevaluate everything in her life, including her feelings for Devin. Can she learn to trust the one man that has broken her heart so many times before?
