This cleverly designed book illustrates a classic children's rhyme in Anne's inimitable style. In the beginning, "There were 10 in the bed and the little one said... 'Roll over, roll over.' So they all rolled over and 1 got out". Then the countdown is on, as one by one, the babies leave the bed and the little one is left alone. Not for long, however Turn the book over, and you'll find them all back in bed -- until the rolling begins again.

Photos of snoozing babies snuggled up in bed make this book a true delight.
