Finding (and Following) God's Will is a picture of how "God leads His dear children along." Through three years of patient searching for God's will and three more years of preparation, Nancy tells the story of God's faithfulness to them and their family through many trials and disappointments. Have you felt God's hand on your life but have not had the courage to make a decision that seems too difficult? Or do you know someone who is struggling in this way? Many of us never experience God's full blessing on our lives because we are not completely resting on His promises-the sacrifice seems too great.

Nancy's account of God's faithfulness through thick and thin will strengthen and encourage you to step out in faith, overcome your fears, and take God at His word.

God often takes frail vessels and molds them to be used for His glory. The strength will not be your own; God will provide, and you will see that He still performs miracles today through those who are obedient to His call.
