Are you ready to start pursuing a more holistic, natural life? Natural living is easier than ever with these tried-and-true tips. You don't need a thousand how-to guides to help you get started: you just need this one. Written by an urban prepper who also believes in healthy living, you'll discover 30 must-know tips for reducing your carbon footprint and living a more natural life even when you have kids. This is the second book in Penelope Hoyt's Homemaking Made Easy series.
