MILLENNIAL SEX is a volume of short stories that explore issues of consent, desire, and millennial sexuality. This is the full erotic edition of MILLENNIAL SEX EDUCATION. Too often the moments that shape who we are exist in the unspoken shadows, in the quiet space of our inner being, unnoticed and unresolved. These are the moments we explore through the perspectives of our six narrators, through their hopes and fantasies, traumas and desires; through things they've never done before.

Experience the erotic and intimate moments of a generation with MILLENNIAL SEX.
