Genre: Futuristic For Claudette Perry, this weekend tryst is supposed to be strictly business. Desperate to get out of the slum she's trapped in, she decides to sell her virginity to the richest playboy in Tartan-V. Falling in love with him isn't part of her plan. For Aaron Guthrie, agreeing to buy her "goods" is his way to help her since she refuses to take his charity.

But, Claudette's innocence is too hard for him to resist; he just can't keep his hands off her. Now, he must convince Claudette that what they'd shared is the real deal, and isn't an ordinary tryst of surrendering to the temptation of the original sin. Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Spanking.
