Fifty years ago, Jeannie Williams made her way to Las Vegas seeking fame and fortune. Instead, she lost her soul and wound up strapping on feathers, glitter, and stilettos, performing nightly shows at the Arcana Royale Casino. Every day, it's the same. Until the day he walks in.

For six centuries, Malcolm Reynolds has been the go-to guy for anything his family needs: warrior, diplomat, wrangler, researcher, and now an attorney. He enters the Arcana Royale, intent on negotiating the release of his cousin's bad debt, but one look at the golden-skinned showgirl ignites a fire of need that he's never experienced. Now he's in for the toughest battle of his life, because the Overseers own both his cousin's debt and her soul. And he's not planning on leaving the Royale without either one. Each story in The Tales of the Arcana Royale Series is standalone story that can be enjoyed in any order.
