Always make 'em pay. In the aftermath of the Battle of Kublar—and the destruction of the battleship Chiasm—Legion Dark Ops recruits Chhun, Wraith, and the survivors of Victory Company to form an elite Kill Team of legionnaires.

Their secret mission is as clear as it is deadly: find and eliminate those responsible for the Kublar disaster. Standing between them and their objective are a maze of corrupt Republic officials, a spy on the verge of losing himself in deep cover, and the Zhee—a murderous species who will stop at nothing. But perhaps the biggest threat of all is the truth they seek to uncover. A truth that could ignite a revolution—and engulf the galaxy in flames... ..un the Kill Team is willing to finish the job. At any cost.
