This book is a tribute to cats everywhere and a gift to their owners who love them unconditionally. For centuries, the domestic cat has been a source of curiosity, mystery and wonder for cat lovers all over the world. In fact, it is this enigmatic quality that irresistibly attracts us to these captivating, elusive creatures. In *The Cat Lover's Treasury*, Charlotte Gerlings reaches back in time to compile this stunning collection of quotations, poems, proverbs and legends, inspired by the antics of our feline friends. It is strangely comforting to find that some of the most influential figures in history regarded the domestic cat as being as lovable and mystifying as we do today. Beautifully illustrated, this charming and witty book will delight and enchant cat lovers of all ages, and will make you fall in love with your purring pet all over again.
