Serena's Submission by Jasmine Hill He wants her submission, she wants a story—the collision of their desires is explosive. Serena Davies is on a mission—to write an exposé on the BDSM scene and in particular about the infamous BDSM club, Club Erebus. Little does Serena anticipate that her undercover mission will not only lead her deep into the BDSM scene but into the path of Dominant Aaron Blue, who will awaken in her previously unexplored dark and erotic desires. When Aaron sees Serena enter Club Erebus he recognises that she is a natural submissive and vows that he will have her. He proposes to show Serena the BDSM scene and be her protector while she explores her darker urges on the stipulation that he will become her Dom. Serena agrees to Aaron's proposal and finds herself immersed in a world where pleasure and pain are one, a world that ignites in her a desire and need to be dominated and arouses in her an unexplored sexuality. Serena fears that Aaron will discover her true agenda for visiting Club Erebus and if that happens, she worries that no punishment would be severe enough to satisfy him.
