With more and more research being done daily on the effectiveness of cannabis in treating various medical conditions, the stories shared in this book should no longer be a surprise to anyone. Rick Simpson's journey to help people heal themselves with his rediscovery of the amazing medical properties of the cannabis plant and the powerful extracts produced from the indica varieties is triggering changing attitudes towards this plant and its legal status, worldwide. Now, more than ever, this book provides an important change in perspective regarding our right to medicines already found in nature.
