The sequel to the popular suspense-thriller, HALLOWED BE THY NAME! Bred as a genetically enhanced weapon, Samuel Stokes has just become too powerful to control. While those who made him seek his destruction, others desire his power for their own gain. Samuel strikes back at anyone deemed a threat to his survival, but he's awakened an evil that has been waiting 30 years to be set free. Jonathan Hallowed wakes after 30 years of cryonic sleep to a changed world. He finds a catastrophe that has released his old NEMESIS upon Imperial City again. Now he must find a way to end the game once and for all or die trying. --AND DON'T MISS THE SPECIAL SNEEK PEEK AT JAMES SOMERS UPCOMING NOVEL "PERCIVAL STRANGE and the LONELY MANOR," AT THE END OF "HALLOWED GROUND!"
