I broke us both and only being together again will make us whole again. I'm ordered to stay away and I try my hardest to comply with the rules. But when I find out my ex's daughter, Dusty Rose, is no longer in college and not living at home, I lose all f***ing reason. It was my job to keep her safe and I failed her. We may be an impossible union but love doesn't end. She's mine and that will never change. I've done my time and now I'm coming to get her. He was my best friend. And I wanted him to be my first. I should never have tried to heal with hurt. The man I loved all my life. It blew up in my face and he went away. Not seeing him has been like dying.

And now he's still forbidden to me. Knowing I can't see him is the only pain.

I can never have him. If we come together after all we've been through, it might just tear us apart. NOT A BENE This is a steamy forbidden story and the giveaway is in the title.
