Members of Congress reflect on their deep faith and how it guides them as politicians and legislators in leadership, voting, and responding to our nation's crises. The book was compiled by Representative Virginia Foxx, who personally asked congressional colleagues who are devout in their Christian faith, representatives who are in a Bible study group with her, and colleagues she knows on a personal level to each contribute an essay. Essays by current and former Members of Congress: House Chaplain Daniel P. Coughlin Mark Critz Stephen Fincher J. Randy Forbes Virginia Foxx Tom Graves Janice Hahn Randy Hultgren Sam Johnson Jim Langevin Dan Lipinski Sue Myrick Thomas Osborne Steve Southerland Chris Stewart Juan Vargas Allen West Frank Wold
