Ashley is successful and has everything in life. At 36, she's beautiful, independent, funny, and is the CEO of her own cosmetic company. However, she's not totally fulfilled. Despite her curvy and generous body, she can't find anyone who's worth her time. When she sees the charismatic and elegant Aaron for the very first time, she has no idea how far she will go for him - but her world is about to be turned upside down... 15,000 word count
