Bitter Roots (Book 1 of Bitter Root Mysteries) Dispatcher Zak Waller prefers working behind the scenes in the Sheriff's Office of Lost Trail, Montana, but when a newcomer to the sparsely populated town is brutally murdered—and the Sheriff is quick to pin the death on an unknown outsider—Zak starts his own private sleuthing. On the surface Lost Trail is a picture-perfect western town, offering a simple way of life revolving around the local ranches and ski hill, but Zak knows the truth behind the façade. When his old school friend Tiff Masterson, whose family owns a local Christmas tree farm, moves back to town, the two of them join forces to get to the truth about the murder. Bitter Roots is the first of three Bitter Root Mysteries.
