"Defiance" is an action packed thriller with a fascinating twist of suspense, conspiracy and science fiction that's so believable you'll watch for it on the evening news. In an atmosphere of civil unrest not seen since the days of Abraham Lincoln, a brilliant scientist makes what could be the most significant scientific breakthrough of our century. Her discovery has the potential to bankrupt global businesses and decimate the economies of several nations. Threatened by governments, mega-corporations, and organized crime, Dr. Ann Ford finds unexpected and powerful allies in her quest to introduce her technology into the free market. Defiance by Tom Ryker is a must read - Google Tom Ryker and read five star reviews.
