The Beggar's Banquet is a feast of reflections to savor while meditating on the astounding mystery of God's love for His people. Dr. Regis Martin infuses these discourses on Christ, His Mother, the spiritual life, and the saints with a wide breadth of influences the writings of popes, mystics, and theologians, great works of literature, and even poetry. The author rekindles the familiar Gospel message with ever deepening wonder, whetting the appetite for that which alone truly satisfies: the Bread of Life.
