Introducing Donald Tremaine, P.I. Once the world's number one surfer, Donald Tremaine quit at the top of his game, moved into a trailer in Malibu, and became a detective. Beautiful women don't ask for his autograph anymore. Now they ask for his help—like the stunning Nina Aldeen, who wants Tremaine to solve the murder of her uncle, advertising mogul Roger Gale, brutally slayed in his L.

A. office a year earlier. The police investigation went nowhere. The suspects are many, and the victim had more secrets than anyone ever knew.

But the closer Tremaine gets to the truth, the closer he comes to a killer who just might make his most complicated case his last. A novel that both honors and invigorates the classic private eye novel, *Body Copy* loudly heralds the arrival—with a bullet—of a major contender on the noir scene.
