"A Bride at Last" The return of Clint Fletcher had the whole town buzzing -- and Nadine Laidlaw wondering. Because this unforgotten, unforgettable man had made it clear he'd come back for "her." And she just wasn't sure she could believe in the love they had both denied for so long. "A Mother at Heart" Miriam Spencer returned to her hometown in search of the simple faith she'd lost. But she found widower Jake Steele -- the man she'd always loved -- and his sweet young daughter. Now she couldn't stop dreaming of somehow becoming part of this loving little family.
