Bound to the Alpha Billionaire: The Architect's Passion - Can be read as a Standalone book In Paris, Japanese-American architect Eliot Tashiro searches a notorious BDSM nightclub in Paris for a girl he's trying to save. When the owner holds an auction of young male submissives, Eliot is disgusted, but then sees a silver-haired, blue-eyed teenager who looks only too familiar. Eliot buys the boy to save him from a brute and takes him back to his hotel. Before he can call the police and report the club owner client as a human trafficker, the boy tries to seduce him. Because she's undercover, Wren Calhoun can't tell Eliot that she's the girl he danced with and kissed last month in Tokyo. Nor can she tell him that he is about to ruin the op she's working to shut down a cartel BDSM slave ring. When he reveals just how much he knows about her, Wren is stunned. Eliot tracked her from Tokyo to France, and has now deduced she's a spy. She's not supposed to fall in love with a civilian, but Eliot is different. When he turns the tables and seduces her, she can't resist the handsome architect. Eliot knows everything about Wren is a lie – except the way she responds to him.

After they make love, however, Wren vanishes again. This time Eliot tracks her to the lair of the brute from the nightclub, who intends to rape, torture and kill her. Once Eliot saves Wren's life, she is finally safe – for now. Will Wren choose to continue living a lie to save others, or tell Eliot the ugly truth about her past, and possibly kill his love for her once and for all?
