When Bobbi attracts a new admirer, Quinn breaks all the rules to keep them apart. It's not that he's jealous. Okay, he's burning with jealousy, but William Fain is not what he seems. And with the demon Koro's agent loose in Ashlet, Quinn isn't taking any chances with Bobbi's safety or the fate of the Hidden Coven. As Bobbi falls under the stranger's sway, Quinn must convince coven leaders that Fain poses a real threat and not just to Quinn's love life. Get to know the Hidden Coven family from an all new perspective as four powerful witches and two civilians come together to stop the blood rite that will cost Bobbi her life and unleash a demon on the world.
