Sex, drugs - and Marilyn Monroe. A potentially lethal combination. It seems like a straightforward case for newly promoted DCI Paul Banham and DI Alison Grainger: the murdered women all bore an uncanny resemblance to Marilyn Monroe and worked for a lookalike agency. But the enquiry soon unearths connections with a covert investigation into drug-running and people-trafficking. A new member of the team, uniquely qualified but inexperienced, is placed in a dangerous situation – made more difficult when love rears its complicated head! Can Banham and Grainger save her from the villains – and from herself?
