Three hot novellas all in one set! From USA Today Bestseller Penny Wylder-- For the first time in KU, three amazingly sexy stories that will make you sweat. Lip Service: She never imagined she'd be taking a class on how to perform better in bed. Luckily her teacher is hot as heck and crazy obsessed with her. Expert Service: When he sees her kneeling at his feet, he knows JUST how she can help him relax. Full Service: Just when she's sure he's gone far enough... he asks her to try out a product while he watches. These are standalone novellas with HEA's and NO cheating! Penny Wylder writes just that-- wild romances. Happily Ever Afters are always better when they're a little dirty, so if you're looking for a page turner that will make you feel naughty in all the right places, jump right in and leave your panties at the door!
