Lord Jeremy Landon, Earl of Bennington, spent the last ten years rebuilding the ruined earldom he inherited from his scandal-ridden uncle.

He has one final debt to repay. In lieu of money, though, he is manipulated into marrying a spinster... Lady Eliza Burke is tired of living under the rule of a tyrannical mother. She'll do anything to escape, even marry a man she doesn't know—and a man her mother despises. Eliza doesn't believe herself destined for love. Lord Bennington doesn't believe he's destined for happiness. Both are about to be tested by a scandal that could tear them apart forever.
