Pretty Little Liars Season 1 Friends Aria Montgomery, Emily Fields, Hanna Marin, and Spencer Hastings grow apart when their clique leader Alison DiLaurentis goes missing. A year later they all begin receiving messages from the mysterious "A", who threatens to reveal their darkest secrets. Aria has just returned from Iceland after a year with her family and still feels unable to forgive her father who cheated on her mother, who's still unaware of it; she also discovers that her new English teacher (Ezra Fitz) is the same guy she met and made out with at a bar the day before. Hanna is now the "it" girl of the school and indulges in shoplifting, which gets her in trouble and forces her mother to sleep with a detective for her release; Spencer has feelings for her sister's fiancé (Wren Kingston); Emily befriends a girl named Maya, who's just moved into Alison's house. They soon suspect that Alison is "A", until her body is finally found. There's a funeral, at which the quartet are seated together and they all get worried after seeing Jenna, a classmate who was blinded in an incident involving the four girls and Alison (multiple times through the episode, there were references to the "Jenna thing"). The girls receive one more text: I'm still here bitches. And I know everything -A. With Jenna's return to Rosewood and to school, the girls are forced to face an unpleasant incident from their past in which with Alison they played a terrible prank (by setting a fire on a garage) on Jenna's step-brother Toby which went horribly wrong, leaving Jenna blind. They thought this dark secret has been sealed forever but "A" won't let them forget it. Meanwhile, questions about the night of Alison's disappearance begin to arise, as the events of that fateful night continue to haunt them.

Aria applies for the transference from Ezra's class but her application is rejected. They later make out in his car after Ezra drives by Aria after she gets caught in the rain. Spencer's sister breaks up with her fiancé when

she catches him kissing Spencer. Hanna's mom is still reluctantly involved with the detective Wilden, who still doesn't have faith over the girls description of that night. Maya has moved in with Emily for few days and Emily feels herself attracted to her, which makes her feel guilty because she has a boyfriend (Ben). Aria's father wants to resolve the issues between them; which actually works out positively. The girls try to pay tribute to Alison's memory, but they are still faced with unresolved issues. Toby, Jenna's step brother, has come back to school. Aria has an unpleasant encounter with her father's former mistress. Spencer faces a vengeful Melissa after her kiss with Wren. Hanna tries to get Sean to forget the 'old Hanna'. Toby and Ben, Emily's boyfriend, have a fight and Emily breaks up with Ben. Emily and Maya get closer and Spencer copies her sister's essay and puts it as her own when she can't think of anything to write. The girls realize that leaving the past behind is much harder than they first thought. pretty little liars books, pretty little liars season 1 dvd, pretty little liars season 1 blu ray, pretty little liars season 1 and 2, pretty little liars season 1 blue ray, pretty little liars season 1-6, pretty little liars season 1 through 6
