As the only member of the Transylvania Book Heist to previously decline all interviews, Chas Allen finally reveals why he remained silent for so long. The "how's" and the "why's" and the "what were they thinking's" are all answered in a shocking turn of events. Speaking from first-hand experience, the narrative non-fiction account follows Allen as he struggles to balance a party lifestyle on the campus of the University of Kentucky, the finances of an upper-middle class family, a dangerous high stakes game with an underground casino, and a growing desperation to turn to crime.
