Since 2001, shared intelligence gathering between Britain and the United States resulted in the partial discovery of Subnet, a network running beneath all known networks including the internet. What they didn't know at the time was that the point of creation was beyond all known boundaries. Those investigating Subnet are about to discover something that will change the earth and humankind... forever. SUBNET #1 A speeding train smashes into Waterloo Station during rush hour, bringing London to its knees. Paul Walker rallies people to help the survivors - but the passengers have already gone. Bryan Jacobs is searching for his sister but she never returned home on the afternoon of the crash, when the authorities cannot help him; he decides to take matters into his own hands. A chance meeting in the Scottish Highlands leads to a night of adventure for Matthew Winter and Grace Wilkinson but one of them is hiding a deadly secret. Trainee CTC officer Jenna Jackson is tasked with finding the missing passengers. But as the mystery deepens, she will discover that the train crash was just the beginning. Something much worse is coming... Where does Subnet come from? Who are the Children of the Dawn? Where is Scarlett Jacobs? Discover the answers and more in this exhilarating beginning to the Subnet series.... SUBNET #1 is a multiple character piece that charts the beginning of an alien attack on earth. It is 38,000 words long (approx 150 pages) and is part of an extended series of novellas.
