\*New full length standalone from Best Selling Author M. Dauphin\* Adam Callahan has everything he could ask for. Money, a penthouse, and enough women to have a different one every day of the week. When Annaliese Ryder happens one night, Adam's world is turned upside down. There's just one problem in his plan to make her his, though: her father. Will she take a chance on Adam, or will her father get in the way of all their plans? \*This book's starter short is found in the Suits and Shades bundle titled Just One Night\* \*\*\*\*18+ due to adult content\*\*\*\*
