Top neurosurgeon Samantha Thomson needs to get married fast and is tightlipped as to why. And with over \$200,000 on offer to tie the knot, no questions asked, cash-strapped ER nurse Hayden Pérez isn't about to demand answers. The deal is only for a year of marriage, but Hayden's going into it knowing it will be a nightmare. Sam is complicated, rude, kind of cold, and someone Hayden barely tolerates at work, let alone wants to marry. The hardest part is that Hayden has to convince everyone around them that they're madly in love and that racing down the aisle together is all they've ever wanted.
